Memories...

Sometimes in the busyness of life, it's easy to lose sight of what really matters. Randy wrote a song that says...

*Make the most of every moment
With those closest to your heart*

'Cause you never know when it could be your last.

Make a memory that will linger

For the days when you're apart

Make the most of every moment

With those closest to your heart.

Who needs to be reminded of your love today?

Stories of Grace

Several years ago after VBS in PA, a 17-year-old young man named Jacob came up to Randy and asked, "Can you show me how to get God in my life?" Randy led him through the plan of salvation and he accepted Christ as Savior. When his father and younger sister heard what he had done, they made Jesus Lord of their lives as well!

Just a few weeks ago, we were reunited with Jacob and his precious family. Jacob quickly jumped right in and began helping wherever he could. What a blessing to see him joyfully serving the Lord! Please pray for Jacob as he is finishing up his master's degree and contemplating what the Lord would have him do next.

MM MERRILL
MINISTRIES

Life on the Road

Our summer schedule always keeps us hopping! This summer we have 69 days of ministry with 1 day “off” (no travel, meetings, services, setup, or tear down on that day). To keep our sanity, we try to be very intentional about what we do during the brief window of time between practice and the VBS program. Aside from daily must-do items like Bible study, laundry, maintenance, cooking, cleaning, correspondence, etc., we enjoy getting together to play games! Happy Salmon and Badminton are a couple of our favorites. What are some games you enjoy playing?

Side Notes

- God’s power is on display this summer! Praise the Lord, 24 young people have accepted Christ as Savior during VBS, and 12 more have made decisions for assurance and dedication! Please pray these children will continue to grow in their walk with the Lord as the churches follow up with them.
- In addition to VBS, we’ve been working hard on some special projects. Look for an exciting announcement in the weeks ahead!
- You are a blessing! Thank you for your continued prayers!
