Rescue

Trusting in the unknown is often scary, but ours is a God who delights in doing the impossible! This summer, we've been privileged to share the stories of the Old Testament heroes listed in the "Hall of Faith" chapter, Hebrews 11.

Each of these heroes needed rescued from desperate situations. Noah faced a world-wide flood that destroyed everything and everyone he knew except his immediate family. Abraham and Sarah waited years for a son only to be asked to sacrifice Isaac on an altar. Rahab risked her life to save the lives of two Israelite spies by using a scarlet cord to lower them out her window. She then hung the cord from her window in faith, trusting God to save her from the attacking Israelite army.

But Rahab's story doesn't end there. Her great-great grandson was the mighty king, David, and from his line came the ultimate Rescuer, Jesus!

You see, just like God provided the ark to rescue Noah, the ram to rescue Isaac, and the scarlet cord as a sign that he would rescue Rahab, God sent His only Son, Jesus, to die on a cross and rescue us from our sin!

Do you know someone needing rescue? Will you reach out and point them to Jesus?

Stories of Grace

Earlier this month, we had the delightful opportunity to serve with Tricia's mom, Alice, at her church in New London, Ohio. While there, she received her diploma for graduating from Faith Bible Institute! After the Bible story on Tuesday evening, "Grandma" (as she's known by many) had the opportunity to lead her great-granddaughter to the Lord! What a special treat to see the smiles on their faces as they shared the good news! Please pray that this little girl will continue to grow in her relationship with Christ!

Life on the Road

We woke up this morning to a disappointing sight--our car had a flat tire. You've probably experienced that as well. In our ministry, vehicle difficulties are expected and, unfortunately, common. Last summer, it felt like one or more of our vehicles had some sort of trouble at almost every turn. This year, despite many travel days reaching the sweltering upper 90's (and some events over 500 miles apart), God miraculously preserved all 30 of the tires on our 7 vehicles throughout the entire tour! Thank you for keeping us and our travels before the Lord. Your prayers are working! Now, to change this tire...

Side Notes

- Fresh out of the oven! We are excited to announce the upcoming release of our *Catastrophe Kitchen* album on Labor Day weekend. To give you a taste of this delicious album, we are releasing "Choices" as a single slice of spiritual refreshment. We hope you enjoy chewing on the spiritual food found in these mouthwatering, musical morsels.
- You are an encouragement to us! We appreciate your prayers as we continue working hard to support local churches and provide resources that will help encourage people in their walk with God!
