NOVEMBER | 2024

## Giving Thanks

This month, we're thankful for...

- God's free gift of salvation!
- Family and friends — like you!
- The privilege of living in a country where we have the freedom to worship God without restraint.
- The opportunity to serve the Lord together as a family. While the composition of our team has changed over the years, the message of hope in Christ has remained the same. We're excited to see God at work in our own lives as well as those with whom we come in contact!
- The sacrifice of our men and women serving in our military, at home and overseas.
- Continued good health and safety throughout the nearly 3,500 miles (x3 rigs) of our fall tour.
- Answered prayers and open doors for ministry!
- The kindness of God's people! Last year, we mentioned the need for new sound equipment and speakers. God has graciously provided for this need and we are looking to purchase the new system soon. Praise the Lord!

## Stories of Grace

November 19th marks 6 years since Tricia's cancer surgery. The road has been filled with bumps and turns, but we praise the Lord that her "good days outweigh her other days," as she likes to say!

This week, a dear friend of ours passed away after a difficult battle with a type of pancreatic cancer. A pastor's wife for many years, Mary's love for the Lord and others shone through her vibrant smile and generous heart. She will be greatly missed!

## Life on the Road

Do you have a favorite Thanksgiving dessert? Since the little ovens in our RV's barely fit one 9x13 pan, we've learned to be strategic in our baking endeavors. For big events like Thanksgiving dinner, we often "divide and conquer"! Tricia makes an amazing pecan pie, Miranda's specialty is apple pie, and Cora's delicious pumpkin pie keeps everyone coming back for more! We're always on the lookout for new recipes and would love to hear about your Thanksgiving dinner favorites!

## Side Notes

- Chijah snapped this photo late one night while we were passing by bustling New York City (you can see the skyline in the distance). Millions of people across this country are still in need of salvation. Will you pray with us for the Lord to soften hearts as we strive to reach more people with the hope of the gospel in the weeks ahead?
- We are so grateful for your friendship! Thank you for being a blessing to us and lifting us up in prayer! We'd love to hear from you! Please let us know how we can pray for you!
