

MOUTHPIECE

FALL | 2025

Taste & See...

What's your go-to fall flavor? For Tricia, it's a pumpkin spice chai latte; for Randy it's a crisp glass of fresh apple cider. Maybe you're more of a maple fan--or the aroma of warm molasses cookies fresh from the oven makes your day complete. Whatever your favorite flavor, remember this season to pause and reflect on the goodness of God: *"O taste and see that the Lord is good: blessed is the man that trusteth in Him."* (Psalm 34:8)

Our fall has been full of sweet moments and powerful reminders of God's goodness. We've rejoiced as **two women came to know Christ** following Sunday morning services in Ohio--what a beautiful way to begin the season! We've also had the joy of connecting with many of you through Refresh Conferences in Ohio, Pennsylvania, and Virginia, where worship was vibrant, hearts were encouraged, and lives were renewed.

Adding to the sweetness of the season, in late September our family gathered together to celebrate Marciah and Carrie's wedding. Surrounded by our family and friends, it was a day filled with laughter, worship, and tears of joy--a tangible reminder of God's faithfulness across the generations.

These past few weeks, the pace hasn't slowed! Our team is hard at work on a few exciting ministry projects, including a complete website renovation, VBS revisions, and putting the finishing touches on two brand-new vocal albums that will be released soon, Lord willing!

As we look ahead, we're already stirring up plans for the Christmas season. Fresh arrangements of festive favorites and new opportunities to share Christ's love are all in the works. By the way, we'd love to know: **what's your favorite Christmas carol?** Drop us a quick note or message; we'd love to hear from you!

MINISTRIES

Life on the Road

Randy's dad, Ron Merrill, wrote hundreds of encouraging cards each year. We meet many people that have kept those cards years later as a reminder of his friendship and kindness.

We love to carry on this tradition. One of our favorite things to do each year is send a note or small package to widows. There are so many ways to bring a smile to a person's face and make a dreary day brighter. How can you encourage someone today?

Side Notes

- The slide out mechanism on our bus stopped working, making daily life challenging for the past two months. Please pray that an able mechanic will be found and the fix will be completed quickly!
- Dave will be sharing in Spanish at Iglesia Bautista de la Gracia this coming Sunday. Please pray that he can communicate clearly.
- Just like a favorite fall recipe, God is blending together all the right ingredients for a rich and fruitful season of service. Thank you for praying, encouraging, and supporting us in this ministry. You're a vital part of what God is doing!
