Full Bio

Randy Merrill is an evangelist and founder of the Merrill Evangelistic Team (MET), a family ministry dedicated to proclaiming Christ, equipping believers, and reaching the next generation.

Growing up in a pastor's home, Randy saw firsthand the impact of a life devoted to serving the Lord. In 1992, he began traveling in full-time ministry and has since spent more than three decades partnering with local churches through evangelistic meetings, conferences, concerts, and children's ministries. His preaching is rooted in the authority of Scripture, with an emphasis on clearly communicating biblical truth and encouraging people to grow in their relationship with Christ.

Randy's ministry has also taken him beyond the local church. He has led biblical study trips to Israel and Greece, helping participants experience the lands and historical settings of Scripture and deepen their understanding of God's Word.

Ministry continues to be a family endeavor. Together, the Merrill Evangelistic Team uses preaching, vocal and instrumental music, drama, and creative teaching to share the gospel and encourage people of all ages. The team has extensive experience in children's ministry, having partnered with churches for hundreds of weeks of Vacation Bible School.

Whether preaching, leading a Bible study trip, ministering to children, or serving alongside his family, Randy's desire is to strengthen the local church and faithfully point people to Christ.
